

Club Behaviour Policy 2017-18

Macclesfield Town Football Club reserves the right to refuse entry to and/or eject from the ground any person that fails (or in the Club's reasonable opinion is likely to fail) to comply with any of the Ground Regulations or whose presence within the ground is or could (in the Club's reasonable opinion), be construed as constituting a source of danger, nuisance or annoyance to any other person. This could lead to further action by the Club including, but not limited to, the withdrawal of any Club membership and or match ticket and/or season ticket(s) (without reimbursement) and other benefits.

Club bans will be considered or imposed for major or repeated minor breaches of Ground Regulations. For minor breaches a supporter will be warned that their actions are liable to lead to a Club ban if they continue and they will then be given a chance to modify their behaviour. A club warning will be held on record at Macclesfield Town FC and may be used for future reference.

Every supporter, for whom a Club ban is being considered, will be contacted in writing within 14 days of the allegations and offered the opportunity to present in writing or video evidence they wish to be considered. Details of the alleged offence and what evidence supports these allegations, such as CCTV evidence or a written account from Club officials or other witnesses, will be made available to them should they request it. During the period of such an investigation it may be necessary to suspend a fan from attending games. Every endeavour will be made to conduct the investigation as quickly as possible. Supporters will be informed in writing of the decision reached within seven days of a decision being made. If the supporter is under the age of 18 years, the evidence can be submitted by a parent/legal guardian/carer.

Any Macclesfield Town FC supporter arrested by the police for football related offences either at home or away, will be suspended from attending matches until the outcome of any Police investigation is known. On receiving the outcome of the Police investigation, the Club will then write to the supporter accordingly. There will be no appeal should the Club then impose a ban if it is based on the outcome of the Police investigation, should the supporter have been found to be guilty of an offence. The minimum ban for any offence where a caution is given by the Police or where charges are brought about by the Police and found proven including fixed penalty fines will be 12 months.

In addition to the offences detailed below, which are extracts from the National League Ground Regulations, any other breaches of the National League Ground Regulations could lead to further action being taken by the club. A copy of the full National League Ground Regulations can be found on the Club website and are also posted about the ground.
